

2014 Grenache-Syrah  
The Vicar  
North Coast

Based on a blend of Alder Springs Grenache & Castelli-Knight Ranch Grenache, this wild and exotic blend really screams southern Rhone. We co-fermented a bit of Syrah with the Castelli Grenache so there is a dark spicy core, but really this wine is all about the wild side of Grenache.

Tasting Note:

Wild aromas of white flowers, game, forest floor and tiny red berries. The palate is medium-full and supple with clean berry fruit and an exotic wildness to this classic blend, which adds character and an added dimension of earthy complexity.
