

2016 Carignan
Testa Vineyard
Mendocino County

Once again, we are super thrilled to offer this tasty little red to accompany your hearty winter stews. This historic vineyard in Calpella, California was originally planted in 1912. These vines have been cared for by this family ever since, always organic and with lots of love. Our 2016 feels a little more bright and lively than the 2015 version and quite a bit more savory.

100% Carignan
100% Carbonic Maceration
100% Whole-Cluster
Native Yeasts & Bacteria
Neutral French Oak Puncheons
3.58 pH
11.9% Alc By Vol

Tasting Note:

Rich, savory and meaty, this rustic red is loaded with spicy black fruit and spices. Deep black flavors and spices make for a rustic and soulful red wine that needs a little more time than the luscious 2015 to open up but when it does look out for the vibrant red fruit and lively spices that keep this one floating along.

91pts (Vinous, Antonio Galloni, Jan. 2017)
