

2018 Trousseau Gris  
Fanucchi-Wood Rd Vineyard  
Russian River Valley

Fermented in concrete this playful wine is a welcome addition to the Pax line-up. This 2018 is a bit darker in color than our previous bottlings under the Wind Gap label due to the addition of some carbonic maceration which also adds some wild aromas as well as a deeper pink hue. Some people might even call this a Rosé, or a Vin Gris. Call it what you will, this is one mouthwatering wine. This wine was made without any additions of So2 at any point in the winemaking process.

100% Trousseau Gris  
100% Fanucchi-Wood Road Vineyard  
100% Concrete Fermentation  
4-Month élevage in Concrete  
Free So2 @ Bottling – 0 ppm  
3.3 pH  
11.7% Abv

Tasting Note:

Bright, fresh, and wild with Mirabelle Plum, Lychee and spice. Delicious with surprising weight and texture, this is delightful with almost any type of cuisine you can throw at it or to drink all by itself with a nice view and a friend or two.
