

2019 Syrah North Coast

This 100% Syrah is a blend of components from all of our favorite vineyards on the north coast. The swale at Griffins Lair, the driveway rows at Castelli-Knight Ranch, barrels from Vine Hill that don't make the cut for Hillsides, all the good stuff. This wine guarantees the quality of our top end wines while creating a unique blend of all the great terroirs together, creating one very compelling and over delivering bottle of Syrah.
