

2019 PETIT MANSENG

SAUREEL VINEYARD

EL DORADO

Originating in the Basque region in Southwest France, Petit Manseng finds an excellent home in the Sierra Foothills of California. Planted in pink granite in a high-altitude alpine terrain, Saureel Vineyard has a lot to say and we have tried to facilitate this voice with as little interference as possible.

Tasting Note:

Rich and heady, a rollercoaster of texture with a hint of pithiness. This wine's depth is in layers of yellow plum, honeycomb, quince, and pineapple. Hints of celery salt and white pepper reign in the fruit and highlight a touch of minerality.
