

2019 Trousseau Gris
Fanucchi-Wood Rd Vineyard
Russian River Valley

Fermented in concrete and bottled in late 2019 to capture all the good stuff, this 2019 fits right into the playful side of the Pax Line-up. This 2019 is pinker in color than our previous bottlings due to the addition of some carbonic maceration which also adds some wild aromas as well as the brilliant pink hue.

Tasting Note:

Vibrant aromas and flavors of fresh watermelon, strawberries and roses. Zesty and lively on the palate this 2019 has more acid than the delicious 2018 and is a little lighter on its feet. Pair with sunshine, big laughs and raw pacific oysters with a jalapeño granite.
