

2020 Mondeuse Noire

Bearg Ranch Fountaingrove District

Bearg Ranch is located high up in the Mayacamas Range and sits at the mid-way point between Santa Rosa & Calistoga. The diversity of soils and expositions make deal spots for growing multiple varieties on this rolling mountain top. The Mondeuse faces north-east in the rockier part of the vineyard where the volcanic soils are bright white and fractured.

100% Mondeuse Noir

100% Bearg Ranch

100% Whole Cluster Fermentation in Stainless Steel

Ambient yeasts

Aged in neutral French Oak barrels for 10 months

Free So2 @ Bottling – 12 ppm

3.6 pH

13.0% Alc By Vol

Tasting Note:

Creme de mure, black pepper, blueberry pie, tree bark and blackberries on this intensely black wine. Firm but softening with aging, this is the perfect red wine for game hens, lean red meat or a roaring fireplace and a cozy blanket. Mondeuse Noir is an Alpine Red which struts its stuff best when served at cool 50 degrees F.
