

2020 Trousseau Noir Bearg Ranch Fountaingrove District

Bearg Ranch & Vineyard is our partnership w/ the Bearg Family to grow our favorite mountain grown grape varieties of France in the mountains of California.

The 2020 Trousseau Noir is the culmination of many arduous trips to the Jura Region of France, faith in California's Terroir and finding a dedicated and tireless partner in the Bearg Family.

2020 was a very hot and dry vintage, the wines that were harvested before any smoke taint show this in their deep colors and firm tannins and decadent fruit.

100% Trousseau Noir
100% Whole Cluster Fermentation
10-Month élevage in neutral French Oak 500L Puncheons
3.73 pH
12.5% Abv

Tasting Note:

Darker than the ethereal 2019 with more structure and depth. The thrilling side of Trousseau Noir is the leafy, leathery, autumnal character and the savory saltiness that makes you keep drinking it. The finest examples around the globe have a balance between fruit and this autumnal quality. We are over the moon with the balance that the 2020 is showing at this early stage.
